

DR. JERROLD D. GREEN

*President & CEO, Pacific
Council on International Policy*

Dr. Jerrold D. Green is President and Chief Executive Officer of the Pacific Council on International Policy in Los Angeles, He is concurrently a Research Professor at the University of Southern California's Annenberg School for Communication and Journalism.

Prior to joining the Pacific Council, Dr. Green was a Partner at Best Associates, a privately held merchant banking firm with global operations, and occupied senior management positions at the RAND Corporation, where he was awarded the RAND Medal for Excellence. He is also a member of the Council on Foreign Relations, the Lincoln Club, the Advisory Board of the Center for Public Diplomacy at the University of Southern California, the Bill Richardson Center for Diplomacy/FBI Hostage Recovery Fusion Cell Influencers Group, and the Board of the Whittier Trust Company.

Dr. Green's career includes serving for eight years as a member of the United States Secretary of the Navy Advisory Panel, where he was awarded the Department of the Navy's Distinguished Civilian Service Award. He has also served multiple terms on the U.S. Department of State Advisory Committee on International Economic Policy, the Board of Directors of the California Club, the Board of the Middle East Institute at Columbia University, and the Board of Falcon Waterfree Technologies. Dr. Green holds a B.A. (summa cum laude) from the University of Massachusetts/Boston, as well as an M.A. and Ph.D. in Political Science from the University of Chicago.

In addition to his academic and business activities, Dr. Green has been deeply involved in public service. He is a Reserve Deputy Sheriff with the Los Angeles Sheriff's Department and was accorded the department's Meritorious Service Award. In 2019, he was honored by the Los Angeles Area Chamber of Commerce with its World Trade Week Stanley T. Olafson Bronze Plaque Award, which recognizes "a member of the international trade community whose outstanding dedication, efforts and achievements have advanced trade in the Southern California region."
