TRIP INFORMATION

The Pacific Council's Local Field Forays visit local sites of global policy interest. Each trip aims to deepen our understanding of key international issues as they relate to the local community – ranging from international trade and the Port of Los Angeles to the U.S.-Mexico border and immigration. These trips are designed to foster closer ties between our member community and the local leaders, thinkers, partners, and institutions that are shaping our world.

The visit to Naval Base Point Loma will consist of a briefing and tour of the base with Captain Howard C. Warner, III, Commanding Officer of Naval Base Point Loma; lunch at the naval base Club House; a visit to the Submarine Learning Center; and a tour aboard one of the submarines from Submarine Squadron 11.
